According to the popular 50/30/20 rule, you should reserve 50 percent of your budget for essentials like rent and food, 30 percent for discretionary spending, and at least 20 percent for savings. (Credit for the 50/30/20 rule goes to Senator Elizabeth Warren, who reportedly used to teach it when she was a bankruptcy professor.)

want to reduce waste as much as possible. Because not using what you purchase is a waste of not only money but time and effort.

## **How to Buy in Bulk: Your Ultimate Guide - Updater**

Your initial savings goal should cover the upfront costs. This includes your down payment, closing costs, home appraisal, and home inspection. Here's how to estimate each: Down Payment: Up 20 percent of your house budget, but most first-time buyers put down less than 10 percent; Basic home inspection: \$300-\$500; Home appraisal: \$300-\$400

## **Here's how to save for a house faster than you might think.**

The importance of saving money is simple: It allows you to enjoy greater security in your life. If you have cash set aside for emergencies, you have a fallback should something unexpected happen. And, if you have savings set aside for discretionary expenses, you may be able to take risks or try new things. Pretty good reasons to save money, right?

## **3 Reasons Why You Should Save Money | Discover**

The great thing about living in a camper is that it's like a forced savings plan. If you do your due diligence and buy a good unit at a good price, you will retain some of the value when it's time to sell. On top of any money you're able to save, you will have some capital when you sell your trailer (provided you stay in it for long enough).

## **Save Money And Crush Debt By Living In A Camper (2020 Update!)**

If you can focus on your goals, you can move out quickly and make the most of your situation. Choose an area with cheaper rent. Location is such an important part of rent and housing costs. By adding a few minutes onto your commute, you may be able to save money each month. Consider buying a home. In some areas, you can really save money by buying instead of renting.
