5 Common Credit Card Questions & Answers You Should Know ...

1. How can the credit card companies raise my interest rate if I've paid my bills on time? What can I do about it? It used to be that credit card issuers could raise your rate, even on existing balances, at any time and for any reason. Thanks to the Credit CARD Act, a federal law, they can no longer do this. They can, however, raise your rate on your outstanding balance if you are more than 60 days late with a payment and they can increase the interest rate on new purchases, but only if ...
