The PC2550 contains a factory default program. Any additional programming required can be done through the keypad. For many applications all that will be required is to enter the telephone number and alarm codes with keypad entries that are as straight forward as dialing a telephone number. If you need help talk to your DSC equipment distributor.

## **INSTALLATION MANUAL - alarmhow.net**

Programming a DSC 1832 Alarm (or re-programming) 23 Feb 2019. I have a DSC alarm at my house (a PC1832) and I want to use Home Assistant to work with it. I purchased the IT-100 board and then decided I wanted to expand it a bit further to include more zones. The company who originally installed the alarm did not record the installer's code when they installed it so I was up a creek as far as ...
