There are a few paid-for books though, and there's no way to separate the two

Er Nurse

The ER or 'Emergency Room' nurse is a person who is great at quick thinking, decision-making, and multitasking. He or she has the training, aptitude and willingness to adapt to whatever the day happens to bring, as every day is different in the emergency room. Best suited to this role are nurses who appreciate the fast-pace and challenge of not knowing exactly who is coming through the door and what may be wrong with them.
