Keyframing Final Cut Express 4 Manual - tuhykeq.info

My complaint with the other FCE manuals -- such as Apple Pro Training Series: Final Cut Express 4-- is that they begin at too basic a level, as if written for someone who has never seen a computer before. They tell you that the window that says "Viewer" at the top is called the Viewer, and you can view clips in it.

Peach Pitt Press and the Quick Start Guides always satisfy and in this case for Final Cut Express 4 it did not fail. It is an amazing format that is very intuitive that gets you up and running as no other manual can. The best thing about them

is the price is reasonable. That is the best combination one can have.
