I highly recommend printing the nets on stock paper rather than regular paper. I have tried it both ways, and regular paper is just too flimsy. After printing, simply cut out the 3d shape nets on the solid lines. If you've printed on white card stock as I have, take some time to get creative and color or decorate the shapes before assembling them!

The next step is optional, you can print the picture as you have it now, but it might not be in scale to your other paper crafts. So to fix this, we're going have to scale the image, it's usually the easiest to just scale it to full page- if you know how to do this, feel free to skip ahead, but if you don't, i've broken it down in both Photoshop and in MS-word, Photoshop First, Click 'File ...
