Samsung Blu-ray Players Suddenly Stuck in Endless Reboots ...

I purchased a refurbished version of the Samsung BD-EM53 to be the bedroom blu-ray player. I hooked it up and watched 2 disks of True Blood Season 5 and one 1 disk of 2 Broke girls and did not have any issues. The remote worked fine, and was impressed that the open door button worked even when the unit was turned off.

I am having the same issue with two BD-J5700 blu Ray players. I noticed it on one last night. I replaced it an identical spare model this morning. The display looked normal at first, but it asked me to do an online software update. After that the second player also started recycling on and off infinitely.

Samsung BD-H6500 blu-ray player - Consumer Reports

I have three Samsung Blu Ray BD-J5700 in the house. Living room, bedroom and wife's upstairs den area. Two of the three units have developed this on/off loop since yesterday, living room and bedroom. Went upstairs and the one there had a pop-up screen that said an update was available. Did the update and that unit works fine.
