The Secret Under My Skin

Blake (or Blay) is a likeable, quietly brave character who unexpectedly stumbles into a rebellion that she doesn't understand. The rest of the characters are well-rounded, especial. 'The Secret Under My Skin' is one of the best young adult sci-fi novels that I've read recently.

The Secret Under My Skin by Janet McNaughton

Janet McNaughton's The Secret Under My Skin falls into neither trap. Set in the far future, on an ecologically degraded earth, the politics are scary and the heroes real people. No soppy earth mothers, no great destinies, just hard work and human ingenuity. I loved this book.

The Secret Under My Skin book by Janet McNaughton

The Secret Under My Skin is strongest when it focuses on Blay and her attempt to piece together her past; she learns that she is really sixteen, not thirteen, and that her name is actually Blake Raintree. The relationship between her and Marrella is, predictably, fraught with tension, while Erica and William become the parents Blake has longed for and needed.

CM Magazine: The Secret Under My Skin.

It's the same world vividly described in Janet McNaughton's dystopian novel of the future, The Secret Under My Skin. In McNaughton's world, set in the year 2368, street children are rescued and taken to model social welfare projects. Here they have clothing, food, work, a basic education, and a bed to sleep in.

The Secret Under My Skin - Janet McNaughton - Google Books

The Secret Under My Skin has likable, real characters who are trying to help others and society at large, as well as improve the earth on which they live. Even though the earth has suffered from the way humans have treated it, the story shows there is still hope — that humans can do better to be caretakers of their home and that our beautiful planet is endlessly adaptable and can be healed.

The Secret Under My Skin | Rated Reads

The Secret Under My Skin is one of the most remarkable YA novels to appear in recent memory. "McNaughton blends the warmth of Blay's emotional growth and new love with the excitement of her learning and brings about, in a rare achievement, a young adult novel where natural history and poetry come hand in hand....
